1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dike Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Being on a reduced retirement income, not getting any annual increase from Social Security, my and my wifes main income source, and knowing that Duke has realized a large last quarter profit, I really see no need for a raise in rates at this time. In fact, they could easily reduce rates and styill operate ar a proiitable level. Its time for someone or some businesses to show that they are customer oriented and operate that way.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)
